Applicants are hereby notified that the required timing for the correction of drawings has changed. See the last 6 lines on the sheet which is attached entitled "Attachment for PTO-948 (Rev. 03/01 or earlier)". It is noted that a PTO Form 948 is enclosed with said "Attachment...". Due to the above notification Applicants are required to submit drawing corrections within the time period set for responding to this Office action. Failure to respond to this requirement may result in abandonment of the instant application or a notice of a failure to fully respond to this Office action.

Applicants' arguments, filed 4/10/01, have been fully considered but they are not deemed to be persuasive. Rejections and/or objections not reiterated from previous office actions are hereby withdrawn. The following rejections and/or objections are either reiterated or newly applied. They constitute the complete set presently being applied to the instant application.

Claims 16-19 are objected to under 37 C.F.R. § 1.75(c) as being in improper form because a multiple dependent claim can only depend from multiple other claim in the alternative. See M.P.E.P. § 608.01(n). Accordingly, claims 16-19 are not been further treated on the merits.

Claims 16-19 depend both from claim 1 as well as claims 8-11 which is improper.

Claims 1-15, 22, and 26 are allowed.
